Section II. Duties and Responsibilities

1. Develop the Municipal Solid Waste Management Plan that shall ensure the long-term management of solid waste, as well as integrate the various solid waste management plans and strategies of the barangays in its area of jurisdiction. In the development of the Solid Waste Management Plan, it shall conduct consultations with the various sectors of the community;
2. Adopt measures to promote and ensure the viability and effective implementation of solid waste management programs in its component barangays;
3. Monitor the implementation of the Municipal Solid Waste Management Plan through its various political subdivisions and in cooperation with the private sector and the NGOs;
4. Adopt specific revenue-generating measure to promote the viability of its Solid Waste Management Plan;
5. Convene regular meetings for purposes of planning and coordinating the implementation of the solid waste management plans of the respective component barangays;
6. Oversee the implementation of the Municipal Solid Waste Management Plan;
7. Review every two (2) years or as the need arises the Municipal Solid Waste Management Plan for purposes of ensuring its sustainability, viability, effectiveness and relevance in relation to local and international developments in the field of solid waste management;

Republic of the Philippines
MUNICIPALITY OF PANIQUI
Province of Tarlac

OFFICE OF THE MUNICIPAL MAYOR

8. Develop the specific mechanics and guidelines for the implementation of the Municipal Solid Waste Management Plan;
9. Recommend to appropriate local government authorities specific measure or proposals for franchise or build-operate-transfer agreements with duly recognized institutions, pursuant to RA 6967, to provide either exclusive or non-exclusive authority for the collection, transfer, storage, processing, recycling or disposal of municipal solid waste. The proposals shall take into consideration appropriate government rules and regulations on contracts, franchises and build-operate-transfer agreements;
10. Provide the necessary logistical and operational support to its component municipalities in consonance with subsection (f) of Section 17 of the Local Government Code;
11. Recommend measures and safeguards against pollution and for the preservation of the natural ecosystem;
12. Coordinate the efforts of its component barangays in the implementation of the Municipal Solid Waste Management Plan.

Section III. Establishment of a Materials Recovery Facility (MRF).- A Municipal Material Recovery Facility is established for the recovering of wastes that can still be of use from recyclable materials to kitchen waste that can be turned into compost. Furthermore, it is hereby designated personnel who shall be organized and composed of staff responsible for: (1) administration and training; and (2) research and planning; and (3) operations and management of the Municipal MRF.

Section IV. That the Municipal Solid Waste Management Board may, from time to time, call on any concerned agencies or sectors as it may deem necessary

Section V. Effectivity of this order shall take effect immediately.

So Order.

Done this 20th day of November, 2019, Municipality of Paniqui, Province of Tarlac.

Approved By.

HON. LEONARDO M. ROXAS
Municipal Mayor
